LOVE ALWAYS WINS

Glitz and glam, oh my! This season Sareh is dedicating her new collection to all of her future brides. As love and marriage will always prevail. Sareh understands that during this time of uncertainty it is difficult to navigate and enjoy the dress shopping process. However, Sareh has focused on making a collection that is happy and cheerful. With this collection Sareh hopes that we can inspire brides to look forward to their wedding day.

For our inspiration this season we looked back at the incredible inspiring fashion of the Roaring Twenties, a time of glamour, jazz, and dance. We created a modern take of our inspiration for this collection.

Inspired by the opulence and stand out details of the 1920's, we have sourced unique laces with beading, applique with three-dimensional aspects. The collection is full of statement making gowns from a short floral beaded gown perfectly named Daisy to a masterpiece ball gown named Josephine made of a unique applique lace and layers of tulle. Staying true to the Sareh Nouri aesthetic we have created a selection of clean and chic gowns with gorgeous hand draping and statement bows.

The Fall 2021 collection is full of enchanting gowns that are sure to make a mesmerizing and unforgettable look!
