## *THE ENCHANTMENT COLLECTION*

Romance is in the air with the new Sareh Nouri - Enchantment Collection for Spring 2022. This season we have been inspired by the alluring romantic details of present and past. This collection has been elevated with a hint of edginess and sexiness using daring necklines and backs as well as a few surprises. Yet staying true to the Sareh Nouri aesthetic displaying exquisite tailoring and flattering seam work on all of the gowns!

We feature a strong collection of clean gowns that show our focus on masterful draping and pleating. This creates gorgeous moments such as our “Royal Highness” gown with a stunning strapless neckline, draped bodice, and pleated ballgown with a front opening slit. Another stand out gown in the collection is the “Pride and Joy” gown which has a unique sweetheart neckline and cap sleeve straps that will be flattering on any bride. We are also introducing a new Italian Crepe fabric and displaying it on three simple and timeless gowns that are perfectly priced for any bride “Pretty Woman”, “You’re the One”, and “Head Over Heels”.

A central part of this collection focuses on amazing and unique lace fabrics that make any bride a standout. Our “Your Majesty” gown has a romantic touch with a soft lace bodice and shantung slim flare skirt. We also have three exquisite full lace gowns from slim flare “Call Me Fancy “ and “Love at First Sight”, to a ball gown “Fit for a Queen”, to a statement making short gown “Love is in the Air”, so any bride can pick her style.

To top off this incredible collection this season, we introduce two new stunning veils and two beautiful toppers that perfectly match any of the gowns in the Sareh Nouri collection!
