LA DOLCE VITA (SWEET LIFE)

Inspired by the rolling hills of Sicily to the ornate architecture of Rome, Sareh Nouri hopes to transport you to Italy, as you explore her latest bridal collection. From large cities to small towns, Italy is rich in love, culture, and artistry, as Sareh looked to encapsulate in her designs.

Sareh let romance guide her in designing with intricate laces, billowing skirts, and hand pleated draping, which are only a few features adorned by the gowns in this stunning collection.

After her recent trip, Sareh found inspiration in the beautiful language, romance, tradition, and picturesque landscapes throughout the Italian countryside. Each fabric, silhouette, and lace were hand selected to entice an Italian experience.

Sareh Nouri hopes her brides find the same “romanzo” and imagine themselves strolling through Rome or beside the glistening sea of Taormina, as they travel her collection.

L'amor che move il sole e l'altre stelle. (“Love that moves the sun and the other stars.”)
